To,

Mr. Manivannan Pathy
Task Team Leader-SMART,
World Bank, New Delhi.

Sub- Submission of DLI achievement report (Year 2022-23)

DLI-I Institutional Realignment and Strengthening of DoA

Ref.- 1) Technical Mission Note, 12 to 16 Dec.2023 for SMART Project.

- 2) Compliance report submitted by Director of Agriculture (Extension & Training) vide their Letter no. Kru.Aa/san.pra/smart/4492/2023 Date- 07/02/2023.
- 3) Our Letter No./SMART/PCMU/DLI/ 227/2023 Date – 13/02/2023
- 4) Suggestions During Online meeting with WB Team on 20/03/2023

With reference to our DLI achievement report submitted to World Bank (Ref. No. 2), it is to confirm that,

- i) Maha DBT Portal is an IT Based MIS System developed by department of agriculture based on the requirements of the field functionaries, farmers and policy makers. The MIS is aligned to the outcome goals of the department of agriculture.
- ii) This system has been instituted and functioning since 2021 and 14173 field functionaries are using this system to cater the end to end implementation requirements of 25+ schemes sponsored by state and central Government.
- iii) It is collecting data and reporting from all 351 Blocks (100%) of the state.
- iv) This system is providing real time information in multiple formats to monitor the implementation of different schemes. Some sample reports are attached herewith for your reference.

Maha DBT portal fulfills the criteria mentioned in the definition of DLR 1.2 – IT based MIS implemented. Hence it is requested to give clearance to DLI achievement report, which will help the project to claim disbursement of funds earmarked for the indicator.
