Dear Sir,

This email is regarding the **balance payment 50% (13,27,500/-)** pending since **14/05/2025** regarding the **Supply, Installation, Commissioning and Testing of Fully Automatic Cleaning and Grading Unit 4 TPH to Vyankatramana Agro Farmer Producer Company Ltd. Anandwadi, Tq. Parali, Dist. Beed.**

Despite multiple follow-ups over 23rd September 2025, CBO is neither answering our calls nor responding to calls made by the nodal officer. Their complete lack of communication has become a serious concern.

Due to this unprofessional and non-cooperative behaviour, our operations are suffering very badly. CBO has consistently ignored our phone calls and messages and has made no effort to respond or resolve the pending issues.

Further, we would like to inform you that we sent a detailed email on 24th November to DIU, RIU, PIU, and PCMU, explaining the matter and requesting intervention. However, we have not received any response from any of these channels to date, which has left us without any support or resolution.

The pending payment still remains unpaid despite repeated reminders, and the situation is now critically affecting our business operations.

Under these circumstances, we humbly request your guidance and intervention to help resolve this matter and advise us on the next course of action to recover our legitimate payment.

We shall be highly obliged for your support.

Yours sincerely,

Varinder Singh

Gentle Reminder,

Dear Sir/Madam,

We regret to inform you that despite our repeated follow-ups, we have not received any satisfactory response regarding the release of our **50% balance payment**, which has been pending for the last **eight (8) months**.

All contractual obligations from our side have already been duly completed as per the purchase order/contract terms. The prolonged delay in payment is causing us significant financial strain.

In view of the above, we kindly request your guidance on the next course of action. Please advise whether we should continue to wait for the payment release or proceed with appropriate **legal remedies** as per applicable laws.

We sincerely hope this matter will be resolved amicably at the earliest and look forward to your prompt response.

Dear Sir/Madam,

We write this communication with reference to the above-mentioned order/contract, under which **50% of the balance payment and 5% Performance Security** remain outstanding.

Despite successful fulfillment of our contractual obligations and repeated reminders, the said payments have been **pending for more than eight (8) months**, which constitutes an **inordinate and unreasonable delay**. This prolonged non-release of payment is causing **serious financial hardship** to our organization and is adversely impacting our day-to-day operations, statutory commitments, and employee welfare.

We wish to place on record that such delay is **contrary to the agreed terms and conditions of the contract** and exposes our company to avoidable financial losses. Continued withholding of the legitimate dues has put us under severe financial strain, and our employees and their dependent families are directly affected due to this non-payment.

In view of the above, we hereby **formally request and call upon you** to ensure the **immediate release of the pending 50% balance payment along with the 5% Performance Security within this week**. In case the payment is linked to tranche availability or internal approvals, you are requested to **arrange the payment through any alternate permissible mode**, considering the exceptional delay already caused.

Please treat this matter as **urgent and time-sensitive**. In the absence of payment within the stipulated time, we shall be **constrained to explore appropriate remedies available to us under law**, at your risk as to cost and consequences, without any further reference.

We trust that the matter will be resolved amicably and without the need for further escalation.

Dear Sir/Madam,

With reference to our previous correspondence regarding the release of the pending **50% balance payment** under the above-mentioned order/contract, we regret to inform you that the payment is still outstanding.

Despite our continuous follow-ups and successful completion of our contractual obligations, the payment has now been **delayed for approximately one year**. Unfortunately, even at this stage we are not receiving any clear indication or assurance that the payment will be released within **March 2026**.

We would like to bring to your kind attention that such an extended delay in releasing our legitimate dues has placed our organization under **severe financial stress**. The non-availability of this payment is causing a **serious financial crisis**, affecting our operational activities, statutory obligations, and commitments towards employees and suppliers.

We have always maintained our commitment to timely execution and professional conduct in fulfilling this project. Therefore, we sincerely request your office to **kindly intervene and arrange the immediate release of the pending payment at the earliest**, as the situation has now become extremely critical for us.

We once again request you to **treat this matter as most urgent** and confirm the **expected date of payment release** so that we can plan our financial obligations accordingly.

We look forward to your **prompt and positive response**.
