quotation was opened on 15th of June 2022 it was a high time for sowing Kharip's cotton so that farmer were repeatedly demanding quick and timely supply of specified seeds.

We would like to take your attention towards one point that as per The Gazette of India no. CG-DL-15032022-124214, Extraordinary, PART II- Section 3 - Sub-Section (ii), published by authority dated 15th March 2022, it was clearly mentioned that BG-II (version of Bacillus Thuringiensis (Bt.) Cotton Hybrid) maximum sale price should be Rs. 810/- . By considering this gazette with quoted rate mentioned by Gayatri Krushi Seva Kendra we found that rates were below Maximus sale price, and thus we issued a supply order in the name of L2 (Gayatri Krushi Seva Kendra).

Gayatri Krushi Seva Kendra showed willingness, readiness to supply and has indeed delivered the required specified seeds within the stipulated time period. We want to emphasize that there is no ambiguity regarding the comparison of rates, and all parties involved in the procurement process were qualified.

Considering the urgency tied of kharip season for crop sowing, we took this decision for supply of specified varieties. We kindly request your understanding and consideration in dropping the audit para associated with this procurement. We believe that the circumstances surrounding this case, along with the compliance with the specified varieties and rates, merit an exception in this instance.

Explanation:-

With respect to this procurement process this office call quotation on 02/06/2022 and last date for submitting quotation was 15/06/2022. On 16/06/2022 we opened the quotation of 6 technically qualified bidder and out of them Om Agro Organic emerged as the lowest bidder (L1) based on the quoted rates, leading to the issuance of a supply order on 16/06/2022 to them with all required terms and conditions. However, subsequent to the issuance of the supply order. On dated 25/06/2022 Om Agro Organic requested to change in packing size to supply required inputs. As per their request, office given him revised supply order on dated 29/07/2022 to supply remaining input in stipulated time. But latter on 24/08/2022 Om Agro Organic informed us in writing about their inability to supply certain items due to the unavailability of packing sizes in accordance with CIB guidelines.

Although L1 did not have the required packing size of inputs available, so they submitted low price lists of inputs. As the packing size of the input is not available with L1, they are unable to supply the input. Later on 24/08/2022 L2, L3, L4 and L5 were invited to negotiate the input rate. L1, L2, L3 and L4 quoted unreasonable rates in the tariff while the packing sizes of inputs required for the project were not available and when asked to supply, they informed show inability to supply.

As the Kharif season was approaching, and it was at most urgent as we are standing in critical crop

After Considering the facts, time period of procurement, and the explanation provided by DIU office, we request you to provide condonation to DIU Office

According to above table DIU official has paid Rs. 158196/ due to inability to supply of goods by OM Agro Organic and while making Payment, the same amount has not deducted form the payment made to OM Agro Organic.

inputs stages and mid of peak season, so to provide inputs at critical and proper time it was necessary to supply the inputs, also there was no time to retender for remaining supply of inputs, so when Gayatri Krushi Seva Kendra was asked to supply them, they agreed to supply as per the packing size and rates specified in the price list. Therefore, in order to carry out demonstration it was necessary to provide the required seeds to the farmers before the Kharif season, supply order provided to L5 Gayatri Krushi Seva Kendra on dated 08/09/2022.

L1 was found that they had submitted the price lists only to participate in the tender process without availability of the required packing size also similarly L2, L3 and L4 also submitted the price lists only to participate in the tender process. It come to notice, when they were informed to supply, they informed us (L2, L3, L4) that we will not be able to supply.

It's worth noting that Om Agro Organic has been blacklisted by this office due to short supply of goods and delays, as per the guidelines and RFQ for quotation. Subsequently, Om Agro Organic initiated legal action by filing a suit in the High Court Nagpur Bench, and the case is currently under consideration.

L1, L2, L3 and L4 submitted unreasonable rates by submitting price lists only for participating in the process when packing sizes of inputs required for the project were not available with them.

Therefore, L5 had aggrieved to

supply according to the packing size as per the rates mentioned in the tariff and at the rates quoted by him. Hence the rate quoted to L5 is not comparable to L1. Because L1-L4 did not have the rates for those packing sizes, it was found that they submitted the rates only to participate in the tender process

In contrast, L5 (Gayatri Krushi Seva Kendra) not only agreed to supply the required materials within the stipulated time, at the quoted price by him.

While making payments to both Om Agro Organic and Gayatri Krushi Seva Kendra, we adhered strictly to the quantities specified in the tax invoices and the corresponding supply to TAO office, after receipt of delivery challan. There was no excess payment made to any party, and the payments were made in line with the tax invoice amounts.

All payments were made with careful consideration of tax invoices, and copies of the invoices are available for your verification. These documents are also retained in the original file as part of our records.

Given these considerations, we kindly request you to view this as compliance and drop the associated audit para. We believe that the actions taken were in accordance with guidelines and regulations, and we are committed to providing any additional information or clarification required for a thorough review, as Kharip season started for conducting crop demonstration on farmers field, it was necessary to provide the inputs to the farmer in stipulated time.

Explanation:-

We would like to bring your attention a procedural aspect related to a recent procurement, which, unfortunately, took place before the receipt of updated guidelines.

Our procurement process, as outlined in Guidelines 427/2021 dated 14/06/2021, allowed DIU units to procure goods exceeding Rs. 10,00,000 by placing advertisements in newspapers. However, subsequent to the initiation of our procurement procedure, we received and became aware of the new and revised guidelines (Circular No. 1293/2022 dated 01.09.2022).

The procurement process in question was conducted in adherence to the guidelines dated 14/06/2021. Our procurement was initiated before the implementation of the revised guidelines, that is on 24/08/2022. It's important to note that the subsequent circular, dated 01/09/2022, introduced changes to the procurement framework.

Considering that our procurement was initiated before the implementation of the revised guidelines, we kindly request you to take this into account during the audit review. We believe that the circumstances surrounding the timeline and the availability of the updated guidelines should be considered as mitigating factors. Henceforth we followed the revised guidelines of the SMART Project and strictly adheres to the same.

We assure you of our commitment to adhering to the most recent guidelines in all future

After Considering the facts, time period of procurement, and the explanation provided by DIU office, we request you to provide condonation to DIU Office
