Point 12	It was observed that an amount of Rs. 68.00 lakh was released in the first tranche to the Kolhapur Organic FPC. However, the FPC did not utilize the SMART subsidy funds in accordance with the Grant Agreement. Consequently, the PIU recovered Rs. 10 lakhs from the CBO, leaving Rs. 58 lakhs pending as of now—this remains unresolved due to an ongoing court case.	Out of the first tranche of ₹68.00 lakh released to Kolhapur Organic FPC, an amount of ₹10.00 lakh has already been recovered by the PIU as the FPC did not utilize the subsidy funds in accordance with the Grant Agreement. The balance amount of ₹58.00 lakh remains pending since the matter is under litigation in court. Recovery of the pending amount is being pursued through the RRC (Revenue Recovery Certificate) process, and further action will be taken as per the outcome of the court proceedings. The case is under continuous follow-up and monitoring by the PIU in consultation with the legal cell.
