Audit Para - SMART/2024-25/Int/0134 DIULA0134 DIULA/Q4

With reference to the audit observation regarding payment made to Shri Sai Tours and Travels and other vendors for call basis vehicle hire for official tour purpose, the compliance is submitted as under:

1. Regarding Order Letter:

The vehicle was hired on a call basis as an urgent official visit was required. Therefore, a formal order letter could not be issued at that time. However, verbal approval of the competent authorities was taken and then supply orders were issued. Henceforth, order letters will be issued in all such cases.

2. Regarding Inward Number and Inward Date on Quotations:

The Inward number and Inward Date are mentioned on the quotation envelopes at the office level. In future, the inward number and inward date will be strictly recorded on all quotations received..

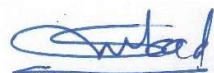

3. Regarding Same Format of Quotations:

It is submitted that the quotations were obtained from different vendors, however, they were submitted in similar format as per verbal request of the office for uniform comparison. The rates quoted were independently provided by the respective vendors.

4. Regarding Quotations not on Letterhead:

Quotations were requested on proper letterhead bearing the sellers' quotation signature and seal. The lapse is noted, and it is assured that quotations on proper letterhead with signature and stamp will be insisted upon in future.

Hence all audit para compliance and supporting document attached so I requested please dropped audit para.
