## Quotation for Mark Color Sorter

Ref: PMIP/1241/21-22

25 Jan 2022

To,  
M/S.Bhoomisparsh Farmer Producer Company Limited  
Gandhi Ward,856,  
Mohadi Jamb,  
Bhandara-441914,  
Maharashtra

GST No: 27AAJCB0739K1ZH  
Kind Attn:Mr.Kiran Atkari  
Ph. No:8055225555  
Mail ID: [Ajaykumar.atkari@gmail.com](mailto:Ajaykumar.atkari@gmail.com)  
Dear Sir,

Sub: Quotation for mark Color Sorter – reg.

With reference to the above enquiry, we are pleased to quote our best and competitive offer for mark color sorter as specified under the terms and conditions given below

Sl. No	Particulars	Rate	Qty	Amount (Rs.)
1	Machine for sorting used in Milling Industry –Grains Model: MARK-TRENDZ-5F-54G-5CT-MX-R-1MS (Double Side View – Trichromatic Color Camera Technology)	27,00,000.00	1 No	27,00,000.00
	IGST 5%			1,35,000.00
	TOTAL			27,00,000.00

### Specifications:

- Number of Camera : 10 Nos. (5 front side, 5 rear side)
- Camera type : 5000 x 3 pixel Trichromatic CCD color camera double side view
- Commodity : Rice
- Number of Channels : 270 Channels
- Tonnage : 2.50 to 3.0 ton per hour@ 1-2% impurity contamination, If the contamination percentage increased the output will be decreased. The capacity of the machine strictly based on the working environment like dust condition, cabin temperature, compressed air quality etc.

.....Continu

COMPANY LIMITED

**Terms & Conditions:**

- 1) Payment : 100% in advance against order
- 2) Delivery : Within one Months from the date of your confirmed order
- 3) Packing & Forwarding : Extra
- 4) Insurance : At your end
- 5) Erection Charge : Rs.1000/day /Engineer. Boarding & lodging extra.Due to Covid-19 Lockdown of transportation, he after as an Erection Charges Up and Down fare should be paid by you to Service Engineer.
- 6) Warranty : One year against any manufacturing defects.
- 7) Validity : 30 days

**8) Bank Information:**

Name of Account : Promech Industries Private Ltd  
Address : 7/237-A, Pattanam to Peedampalli Main  
Road, Nagamanaickenpalayam, Coimbatore-641 016,  
Tamil Nadu.  
Swift Code : HDFCINBBCHE  
Account No : 00312320005743  
RTGS/NEFT IFSC : HDFC0000031  
Branch Code : 641240002  
Name of the Bank : HDFC Bank Ltd  
Bank Address : Classic Tower, Trichy Road, Coimbatore – 18, Tamil Nadu.  
Account Type : Current Account

- 9) Erection & Commissioning : The price quoted is for the specified color sorter only. Accessories like suitable compressor unit, refrigerant ty air drier, necessary air filters, suitable CVCF type voltage Stabilizer, Elevated, Air conditioned cabin, suitable Air Conditioner to maintain ti cabin temperature at 25°C, Elevators, arrangement for feeding, taking delivery and recycling of the materials, Storage hoper, Dust Collectii system etc, are on customer's scope.
- 10) Our machine is built in with Stabilizer to work between 180 to 260V and below or excess voltage machine will be switched off on your own arrange suitable stabilizer or CVCF.
- 11) In input air oil ,moisture and Dust should not be mixed to avoid necessary Filters should be filled on the Air pipe Line distant between machine and Compressor should be at least 10 metres
- 12) Prior to the supply of the machine, if requested by the customer, we will provide information, drawings which are necessary to set up the cab elevators and compressor and electrical lines.
- 13) We will depute our qualified Engineer for trail run on the information of the customer about the readiness of the machine setup for trail run.
- 14) During the warranty period, there will be twelve free visits by our Engineer and beyond that we will work out a comprehensive Annu Maintenance Contract based the maintenance and service history during the period.

We hope that the above offer is competitive and in-line with your requirements, we are looking forward your valuable order, Please feel free to contc us for further clarification.

Best regards

Subject: Offer for FS CURTIS make Rotary Screw Air Compressor

Dear Sir,

We thank you, for showing interest in our product range, for the upcoming project and giving us an opportunity, to be your compressed air partner, in your growth. We take this opportunity to introduce ourselves as FS-Compressors India Pvt. Ltd., a Joint venture company between one of Taiwan's top Industrial houses, Fusheng Industrial Co. Ltd. a Bangalore based Turnkey Engineering Consultancy and Solutions Provider for Chemical, Oil & Gas, Power sector and General Industries. The new company's focus is to provide best designed compressed air systems under FSCURTIS brand in a cost effective way and with outstanding service levels.

Fusheng Industrial Corp was incorporated in 1953 as an Air compressor company in Taiwan. Over the years, they have established three main business divisions viz., Machinery, Electronics, & Sporting goods with all the divisions under the directives of the group President. By far, the machinery division is the largest of the three and represents the true global portfolio of the group. The companies and brands under the Group are

- 1) FS-Curtis, Curtis Toledo for Air compressors based in St. Louis MO USA,
- 2) FS-Elliot Co., for centrifugal compressors based in Pittsburgh Pa. USA,
- 3) FS Europe GmbH Germany for R&D and Engineering,
- 4) FS-Precision Tech Co. LA Cal. USA, for manufacturing high precision casting products for automotive, medical and aerospace industry.

Fusheng established operations in China in 1993 and are today the biggest manufacturer of compressors in the region. The company was listed in "Best under a Billion" in Forbes magazine for the year 2003-2004.

The group has maintained the spirit of 'Pursuing excellence and enriching lives' and is applied to every corner of the enterprise's activity. The company strives for innovation and continuous improvement.

Our new manufacturing unit in Pune will be the hub to manufacture 'FSCURTIS' Brand Piston and Screw Compressors. Our product range comprises of

- 1) 3-20 HP in piston compressors (lubricated and oil free type)
- 2) 5 – 500 HP in Oil Injected Screw Air Compressors.
- 3) Water Injected Oil Free Screw Compressors upto 750 CFM Range  
(Please refer the annexure for our entire product line).

**FS-CURTIS**  
AIR COMPRESSOR

The company has regional offices and resident engineers, trained service personnel across India to cater to the customer needs and services. We boast of a Clientele that encompasses a wide array of industries, some of which are ONGC, Bharat Petroleum, Linde, Hindalco, L&T, Praxair, PepsiCo, Coco Cola, Honda S1el Cars, Essar Power, GE Energy, RIL, MCF, IOCL, HOCL, BPCL, JSW Steels, BALCO, JSL Stainless, Tata Power and many more.

With this background, FS-Compressors India Pvt. Ltd, is now all geared up to cater to wide spectrum of compressed air needs, of the industry in India by providing its customers with **affordable systems** under 'FSCURTIS' branded compressors and accessories which are being assembled in India. It is our earnest wish to be associated with your organization in our area of interest for a mutually fruitful longstanding business relation. Kindly call us at your earliest convenience to explore these possibilities. Our team of Engineers will be glad to visit you for providing the best of compressed air systems.

We are committed to making the entire transaction with our customer a satisfying one.

We look forward to partnering you in your new projects. Please find enclosed herewith the Technical Specifications, Price Schedule & Terms and Conditions.

We trust you will find our offer in order and in line with your requirement. Should you need any further information / clarification, please feel free to contact us

Thanking you again for your enquiry and faith reposed in our product.

Yours sincerely,

*Nitin Thakare*

**SALIENT FEATURES OF FS-CURTIS COMPRESSORS:**

**DBA SHIELD NOISE REDUCTION (Can be installed near the point of use without noise worries.):**

- Generously sized vibration isolation reduces low-frequency noise transmissions.
- High Quality sound attenuation foam

**eCOOL TECHNOLOGY (Exclusive System Protection.):**

- The ultimate in system protection and reliability.
- Protects critical components from compressor generated heat
- Extends compressor life and reduces downtime

**QUALITY COMPONENTS (Built to the highest levels of dependability.):**

- Multiple function inlet and discharge valve reduces connections by up to 90 percent.
- Exclusive airend rotor profile results in higher air delivery at lower power consumption.
- All components are generously sized and selected for utmost reliability.
- Can be used in harsh environments

**SUPERIOR PACKAGE DESIGN (Low cost of ownership.):**

- Space saving compact design.
- Exclusive FS-Curtis airends feature the latest rotor profile to maximize efficiency.
- Designed for easy serviceability.
- Simplifies maintenance through easy access to all components.

**STANDARD FEATURES**

- Powder coated enclosure
- Laminated oil-proof sound insulation
- Four, keyed side panels
- Washable Cabinet pre-filter panels
- AIMS alpha numeric controller
- BSA airend
- 24V DC control voltage transformer
- Spin-On Oil Filter
- High Efficiency air / oil separator
- Inlet valve modulation
- Premium efficiency TEFC (IP55) motor
- Wye-Delta motor starter
- Closed Inlet starting
- Multi-Function Inlet valve
- Multi-Function discharge valve
- Vibration Isolators
- Factory filled synthetic lubricant
- Air Cooled Oil Cooler and After Cooler
