Trust the above proposal is in line with your requirement, feel free to contact us for any clarification.

### Terms and Conditions

Sr	Terms	Description
1	Delivery Time	Exact schedule for dispatch will be notified at a later date. Delivery dates are approximate only & assume timely receipt of all information, test materials & advance. Material should be collected within 07 working days from the date it is communicated by the NIDO logistics team. Post 7 days handling and warehousing charges of 0.2% is applicable per week.
2	Warranty	Onsite on product for 12 Months warranty (considering 8 hours of operations per day) against manufacturing defects against establishment of proof for same. This warranty is void & NIDO will not be responsible for machine failure or performance if the customer chooses to use the equipment other than the product it was designed & tested for. Our warranty does not extend to damages caused due to negligence or improper handling or erection by the buyer or any alterations carried out without our knowledge / approval. During this period, the items are to be returned to us at your cost. The warranty will not cover normal wear & tear of the components, damages or losses caused during transit & deterioration or rusting due to atmospheric conditions, damages resulting from fire, accidents, or lack of maintenance on the part of the customer. Warranty on third party components like motors, electric contractors & breakers, & pneumatic will be given by manufacturers. In the case of equipment require installation, warranty starts from the date of installation and commissioning or 30 days from the date of invoice, whichever is earlier.
