SUBJECT	Engineering, Manufacturing and Supply Of, Curcumin Solvent extraction plant- 500kg per day.
DATE	29 May 2023
CLIENT NAME	Anukaran Farmer Producer Limited
ADDRESS	Hingoli, Maharastra.
REFERENCE NO.	ALP-135
CONTACT NO.	9822186940, Dr. Prakash Rajguru
EMAIL ADDRESS	

Dear Sir,

We are thankful for the interest and confidence shown towards our service. With the reference to said subject inquiry. Please do find our competitive proposal for the as following.

SR.NO	PARTICULAR ITEM	Capacity	Power	Manpower	QTY	AMOUNT
1.	DISINTIGRATER This is the equipment where herbs are disintegrated. structure in SS 202, Drage Conveyor 150Dia piping with Drage Chain and prime mover, Length 25M MOC SS 202	100kg/Hr.	5	1	1	3,00,000/- INR
2.	Turmeric Washer 0.5mt* 4mt* height 1.5 mt. with high-speed rotating 4no. Hard Polypropylene Brushes, screw conveyor with spout. MOC 202	50kg	2	1	1	1,55,000/-INR
3	Turmeric Slicer RPM 1500, entry shoot, with	50kg	3	1	1	1,50,000/-INR

Works office: Sr. No's. 1302, Shelar Wasti , Chikhali, Pune-411 062. Cell No's +91 7219094007 ;

	clutch belt drive, doctor's knife 4no. with encloser, sliced flex removing belt, water spray nozzles, dia of slicer 0.5mt height 1.5 mt. belt length 5mts MOC SS 304					
4.	Flex dryer Dia 0.5 mt*10 MT length with in-ternal tossers,10 RPM inclined at 15 deg, supported on rotary wheels 6 pairs, gear drive, hot gas outlet, discharge outlet, inlet spout shell in 6 mm Thk Height 3 MT to 1.2 mt. MOC 202	50kg/Hr	3	1	1	3,70,000/-INR
5.	Solvent storage tanks. Total tank in SS 316, SS pumps with stand by and connections, valve gauges, piping 50mm.SS 202 supporting structure.	1 KL	2	0	2	2,50,000/-INR
6.	Extractor internal and external heating jackets MOC 316 SS for extractor and external jacket MOC 202, temp. controller, related valves and gauges, total insulated.	1.5KL	0	3	1	3,50,000/-INR
7.	Condenser shell and tube in MOC SS316 piping in SS316, structure in SS 202	10 met. Sq each	0	0	3	2,00,000/-INR
8.	Oil heated reboiler with stirrer for distillation of solvent from extract MOC 316, heating jacket for hot oil circulation, totally insulated. With valves, temp controller and gauges.	120 lit capacities	1.5	1	3	1,50,000/-INR
9.	Crystallization tanks	100 LITTER	0	0	10	75,000/-INR
10.	Vacuum tray dryer, 36 no	200 LITTER	5	2	1	2,00,000/-INR

	trays, With vacuum ejector with hot oil circulation piping and solvent trap bottle.					
11	Multi mill for dry extract grinding, SS316 MOC, with gear box and prime mover with SS202 structure.	50KG/HR	3	1	1	2,00,000/-INR
12	Shifter for size separation with prime mover. MOC 316	50KG/HR	1	1	1	1,55,000/-INR
13	Octagonal blender MOC SS 316, with prime mover.	25Kg	2	1	1	1,25,000/-INR
14.	Supporting structure for all equipment's in 202 SS.	30Sqmt	0	0	5T	2,00,000/-INR
15.	Briquetting machine for waste	50KG/HR	7.5	3	1	2,00,000/-INR
16.	Pipe lines for cooling water, solvent and hot oil. All in MS painted as per GMP regulations. with pipe supports.		0	0	50RMT	1,00,000/-INR
17.	Total Instrumentation and electrification of plant				-plant	2,00,000/-INR
18.	Valves, Gauges or temperature controls.		0	0	Lot	2,00,000/-INR
19.	Cooling water utility tank, all in MS.	3KL	5	1	1	1,00,000/-INR
20.	Gasifier / boiler for hot oil generation with thermic oil, hot oil circulating pump 10 hp prime mover. (600 lits thermic fluid)	800000 Kcal/HR	10	2	1	2,85,000/-INR
21	Reactor for white curcumin, oil heating system, condenser, gear motor. Man hole, PRV, Pressure gauge	300Litter	4	1	1	2,50,000/-INR
	Total		49	19		42,15,000/INR
	Taxes Extra					7,58,700/INR
	Sub-Total					49,73,700/-INR

**All prime movers and electrification are flame proof.
1000Litter heating oil.**
