What is Grid-tie Solar rooftop power plant:

Advantages of Grid-Tied Systems:

- A grid-connection will allow you to save more money with solar panels through better efficiency rates, plus lower equipment and installation costs.
- Batteries are not there so there is no maintenance.
- Unlike solar, prices of other sources will keep increasing.
- It is Ultra clean source of energy and will help green environment.

Connection to net metering System:

- Solar Power Project will be synchronized with the Grid of MSEDCL.
- Excess generated power will go to grid and you will get the benefit of such supply.
- At the time of Grid power failure, the solar system will disconnect power supply.

Offer for 40 kwp Grid-Tied Rooftop System:

Sr. No	Item	Proposed Vendors
1	Modules	Solar Modules ALMM Approved BIS Approved. NOVASYS MAKE MNRE Approved 25 Years Performance Warrantee
2	Inverter	GROWATT/DEYE Grid Tied solar inverter of 40kw having all International Certifications (8 years warranty) Including RMS (Remote Monitoring)
3	Structure	Structure as per requirement.
4	AC Cables (LT)	4 Core Armoured
5	DC Cables	UV Protected DC cable(Pure Copper),TUV Approved 4 sq.mm Polycab
6	Connectors	ISI approved
7	Lightening Arrester	Standard Three Pronged LA
8	DCDB	Standard Switchgears
9	ACDB	Standard Reputed Make Switchgears
10	Earthing	Maintenance free chemical filled earthing with heavy duty earthing rods.
11	Earthing Conductor	GI Strip (25x3) for plant Structure Earthing/ Copper cables * as per the site location.
12	PVC Conduit	ISI
13	Net Meter	MSEDCL Approved Net meter

Total Price of the 40KW Power Plant

Rs. 30,00,000/- Including taxes.

Your scope:

- Grid connection up to inverter.
- Suitable covered space near solar system to install inverter with necessary Junction box.
- Provision for ventilation.

Warranty:

The set up will carry One year warranty from the date of delivery.

- **Inverter**— Manufacturer's Five or Seven (depends on make) years back to back warranty from the date of installation.
- **Solar Panels:** 25 years generation warranty.
- **Limitation to Liability:** In no event shall we be liable for any consequential damages and/or losses arising out and connected with this supply order in any manner what-so-ever. Our liability is limited to defect or failure of the system. Any changes in connection or cabling without our notice will treat warranty null & void.

- **Delivery, Installation and commissioning:**

- Delivery: 1 week
- Installations: 2 week
- Commissioning: 1 week
- Net metering: 3-4 weeks

- **Payment terms:**

- 50% advance against purchase order.
- 40% after Installation of Structure, Inverters, Caballing , Earthing etc.
- 5 % after complete installation
- 5% while installation of Net meters at site.
