Terms and conditions:

About website data and information:

The information and data of website should given by you, in the form of soft copy format for text matter word, Excel or pdf and images will be jpg,png etc.

About AMC:

All maintenance packages are for a minimum of 12 months period.

Current given question is for 10 pages additional pages will cost extra as per quoted page rates.

The AMC for the year will be cost Hosting and domain renewal charges + hole year page modification cost .

About Completion of Work:

- 1) Website content and all related materials need to be provided to us within the first two weeks of starting the project. Any delays thereafter may delay the project. After receiving the all data the site will be published after clients approval. Android App is Web view based app which will reflect website data in android app.
- 2) Any delays at client's end, may delay the project and proposed timeframes. We will make every effort to complete the project/changes in the given timeframe. Reasonable delays are accepted if functionalities are redefined or modified.
- 3) Any bugs (programming or designing errors) reported during or just after the development does not attract additional charges.
- 4) After publishing the website regular updates are made within one day after receiving the data in working hours, for urgency it will take maximum 2 hours for 3 pages data.
- 5) Ongoing term: For any reason if the Client decides to terminate an on-going maintenance package then they will need to pay the balance amount of the remaining months.

Make all checks payable to: Dhanraj Devidas Ghodake
