REF NO: 10014

Date : 28.12.2021

QUOTATION FOR CHAKKI ATTA PLANT CAPACITY – 50 TPD

Sh Hitendra Ji
M/s. Tapimai Farmers Producer Company Ltd.
Dhule

Phone:- 9579713739
Email: hitendra.sonawane7@gmail.com

Wheat Cleaning Section Capacity – 5 Ton/hr.

Wheat Milling Section Capacity – 2.4 Ton/hr.

Milling Expansion Capacity – 3.2 Ton/hr.

WHEAT CLEANING SECTION CAPACITY – 5 Ton /hr.

S.NO	PARTICULERS	QNTY.	RATE	AMOUNT
1.	Vibro Separator MTRA RC-1500 Complete with 2 Nos SPL Vibro Motor & all imported parts (To clean wheat impurities under size and over size clean wheat)	1	225000	225000
2.	Aspiration Channel (For suck dust & light Impurities)	1	60000	60000
3.	Drum Sieve Double Drum/Pre-cleaner (with 1.5Hp Geared Motor)	1	175000	175000

127

	<i>(For Separate large size impurities ,like -sully, wooden pieces, heavy stone, sand & fine dust)</i>			
4.	De- Stoner cum gravity separator Double deck RC-800 Complete with 2 Nos. SPL vibro motor & all imported parts <i>(For Separate Stone)</i>	1	225000	225000
5.	Dampening Unit Padle Type with Roto Miter <i>(For add water to wheat in proper ratio)</i>	1	75000	75000
6.	Bran Remover/Polisher Machine <i>(For Polishing to wheat)</i>	1	175000	175000
7.	Bran Remover with carborandum Stone and adjustment system of Stone <i>(For the surface treatment of wheat for removing adhering dirt and impurities such as dust, sand, earth clots, insect fragments, etc.)</i>	1	350000	Optional
8.	Duck Type Aspiration Channel <i>(For Separate light impurities like straw, shriveled wheat, & dust)</i>	1	65000	65000
9.	Low Pressure Fan	1	45000	45000
10.	De -Stoner Fan	1	45000	45000
11.	Elevator complete with bucket belt H-33' <i>(For wheat lifting)</i>	3	82500	247500
12.	Dust collector cyclone <i>(For dust collection of cleaning section Machinery)</i>	2	65000	130000
13.	Worm for wheat L-18'	1	45000	45000
TOTAL				1512500/-

WHEAT MILLING SECTION CAPACITY – 2.4 Ton /hr.				
S.NO	PARTICULERS	QNTY.	RATE	AMOUNT
1.	Scourer Machine RC-500	1	125000	125000

	<i>(For the surface treatment of wheat for removing adhering dirt and impurities such as dust, sand, earth clots, insect fragments, etc.)</i>			
2.	Duck Type Aspiration Channel <i>(For Separate light impurities like straw, shriveled wheat, & dust)</i>	1	65000	65000
3.	H.T. Wheat Grinder Size 30" (heavy duty) Complete with Double Sealed Housing, Split Pulley & EN-8 Shaft <i>(For Grinding)</i>	6	85000	510000
4.	H.T. Wheat Grinder Size 30" (Automatic Feeding and S.S. 304 Sheet on Main Plate, Stone top and Lapet) (heavy duty) Complete with Double Sealed Housing, Split Pulley & EN-8 Shaft (without Motor and A.C. Drive) <i>(For Grinding)</i>	6	140000	OPTIONAL
5.	Emery Stone	6 Pair	18000	108000
6.	Plan sifter 4x14 with all accessories without Nylon <i>(For sifting mealy and floury materials and for sorting various granular materials.)</i>	1	365000	365000
7.	Pneumatic set with all accessories <i>(For flour lifting)</i>	4	60000	300000
8.	Pneumatic set with all accessories <i>(For flour lifting)</i>	2	65000	130000
9.	Low Pressure Fan	1	40000	40000
10.	High Pressure Fan	1	50000	50000
11.	Elevator complete with bucket belt	1	82500	82500

	H-33' (For wheat lifting)			
12.	Dust collector 25 Filter x 2 mtr. (For dust collection of milling section Machinery)	1	80000	80000
13.	Dust collector cyclone (For dust collection of cleaning section Machinery)	1	55000	55000
14.	Worm for wheat /Atta/bran L-18'	6	45000	270000
15.	Entoleter Complete with 5 Hp Motor (For improve self life of flour & Entoleter is a high Capacity Machine of advance technology to eliminate all form of insect in all stage growth found in food products)	1	75000	75000
TOTAL				2255500/-
Design Plan Consultancy Charges including 2-3 visit				71000/-
G. TOTAL				3839000/-

TERMS & CONDITIONS:

- All rates are for delivery ex-our works. Packing & Forwarding Charges Extra.
- GST as applicable at the time of dispatch
- Payment Term 50% as advance 50% against Performa invoice Before delivery
- Delivery 8-10 weeks after receipt of your confirm order.
- All machines without electrical. Only Vibro Separator, Drum Sieve, De- Stoner and Entoleter with motor
- Worm & Elevator are increase or decrease As per Final drawing
- Bran Remover and Chakki is optional Machine. model decide as per buyer
- The offer is valid for 30 days

CUSTOMER SCOPE

- Electric Cable, Panel and Motors / electric Fitting
- All Civil work/Silo/Structure
- Erection Material & Accessories Such as Angle, Channel, Sheet, V-belt, Pulley, coupling, pipe line, nut bolt etc.
- Tools will be Provide by customer
- Traveling & lodging boarding facility is to be provided from your side
- Erection Charges will be directly pay by Customer at the time of Fitting to Contractor

Yours faithfully,
For **RATHORE AGRO TECH**
