M/s. Kinwat Parisa Shetkari Utpadak Company Limited, Kinwat	Quotation Date : 21/12/2021 Enquiry : VFFS280E + 4 Head Linear Weigher Enquiry Date : 18/12/2021
Kind. Attn : Mr. Pawan More	Quotation Ref : DP 2021-22/044
Contact : +919595676708	Email : morepawan117@gmail.com

Dear Sir,

We thank you very much for your enquiry of VFFS bagger (Model: V280E) with 220 Belt Weigher and we are pleased to submit our most competitive offer for the same below.

Basic Bagger	: VFFS 280 ECO
Dosing System	: 4 Head Linear Weigher
Product	: Grains
Pack size	: 250 grams – 1000 grams
Film	: laminated
Nominal Output	: 50-55 bags per minutes

• SITE CONDITIONS REQUIRED

The machine speed and accuracy is dependent on the following characteristics:

- Quality of packing material.
- Consistency in bulk density of the product.
- Uniform inflow of the product into feed hopper.
- Sufficient air pressure.
- Material free from moisture and lumps.
- Machine should be free from vibration.
- All committed parameters are subject to maintaining the above parameters in control.

Basic Bagger: VFFS 280 E ----- 1.000

- Fully automatic, vertical form, fill and seal machine, designed for processing heat seal able laminates.
- The machine can also seal weld able packaging materials, subject to the use of an additional sealing tool set.

Flat No. 401, Building No.G6 Gandharv Nagari, Tapkir Nagar,

Deep Automation & Packaging Company

phase indicating lamps in Red, Yellow and Blue colour & PG 21 gland for mains connection located at the rear of the panel.

- Panel protected against poor power supply quality (M/c stop in case of over voltage, under voltage, phase sequence reversal, & single phasing).
- Wire termination blocks are of Screw-less type (Spring Loaded) to ensure good electrical contact.
- All wires and terminations in the panel are numbered.
- 5.7 inch monochrome touch screen panel for monitoring machine data and operating status.
- High performance PLC for programming and controlling machine functions.
- Memory capacity for 30 recipes (4K bytes of memory for recipe storage).
- Sealing Temperature regulation by Auto tune, PID type controller with actual value display. Individual control for each jaw.
- Self-error diagnosis and health check up during start up
- Programs for integration of filler and other optional features ordered with the bagger.

➤ **Hor. Sealing Jaw Laminated (Max. bag width 320mm)----- 1.000**

- Suitable For Max. Bag Width 400 mm.
- Set of Front & Rear Sealing Jaws complete with pneumatically actuated knife, heaters and thermocouple.
- Standard seam width 12.5 mm with 2.0mm pitches V-groove.
- The integrated tool is capable of achieving Bottom Seal & the Top Seal of the next bag in a single cycle.
- Power supply will be 230V, 50Hz AC

➤ **Longitudinal Sealing Jaw Laminates (300mm) 1.000**

- Longitudinal Sealing tool suitable for laminates for vertical seal.
- Jaw width 12.5 mm; Jaw length 300 mm.
- Sealing tool is complete with cartridge heater and thermocouple.
- Power supply will be 230V, 50Hz AC

➤ **Bag Support ----- 1.000**

- The purpose of this assembly is to provide the support to filled bags
- This assembly is located below the horizontal dies

➤ **Pouch Format Part for 250 grams to 1000 grams (70 to 280mm bag width) ----- 1.000**

- For between 70mm -280 mm Bag Width
- Bag Width: _____
- Comprising of Forming shoulder, holder, forming tube.
- Provision for gas flushing inside the forming tube.
- All parts in contact with product made of SS 304.
- Rod type spreader, mounted on the bottom of the forming tube to produce wrinkle free bags.
- Needed for each format size.

4T Linear Weigher -----1.000

- Accurate weight control
- Load cell control
- Separate HMI for operation
- Pneumatically Bucket operated
- Collection Bucket Pneumatic Operated
- MS structure for Linear Weigher Mounting

Net Price: Rs. 7,50,000/- (Rs. Seven Lacs & Fifty Thousand Only)

Terms & Conditions:

1. Price : Ex-Works our Factory
2. Packing & Forwarding : 5%
3. GST : 18% extra as applicable
4. Payment Terms: 50% Advance & Balance 50% against Proforma Invoice Prior to Dispatch
5. Installation & commissioning charges 25,000/-Rupees
6. To & Fro Travelling Charges along with Lodging-Boarding and Local Transport of Two Service Engineers will be in Buyer Scope
7. Changeable parts cost will be extra.
8. Validity: 30 days from date of our offer.
9. Transit Insurance : On your account
10. Freight / Courier Charges : At actual in your scope

Hope the above offer is acceptable at your end and we are awaiting for your valuable order.

With Warm Regards,

Kiran Pandare
