SUBJECT : Introduction Letter

Dear Sir,

We introduce ourselves as one of the fastest growing Weighbridge solution company having its Head Office and Factory at Pune. We have complete gamut of Weighbridges ranging from 5 Tonnes to 200 Tonnes. All our models are approved by the Ministry of Civil Supplies and Consumer Affairs.

RockwayTM Weighbridge Technologies was started with a commitment to provide customize weighbridge solutions with the emphasis on the quality accompanied by the prompt after sales services. This philosophy is reflected in the company's operations where all the resources are focused towards this objective.

About Weighbridge

Weigh Bridges (Capacity 5 Tonnes to 200 Tonnes) our micro controller based fully electronic weighbridges are equipped with high precision hi -tech Double Ended Shear beam Type Load cells enriched by sophisticated Indicator and strong rugged platform thus assuring the accuracy and reliability of the product. We offer customized weighbridge solutions specific to the client's requirement thus saving on the capital investment and thus enhancing the efficiency.
