1. That the FPC/ CBO undertakes to maintain and preserve the Books of Accounts and all other relevant documentary records related to the approved sub-project and shall make the same available for verification/inspection, if called upon, by any authorised Government Authority or by any authority authorised by the World Bank. Such records shall be maintained for the duration prescribed under the applicable governing statute of the FPC/CBO.
2. That in the event of any audit conducted in the future by any Project appointed agency /Government Authority or the World Bank, and in the event any recovery or disallowance is raised as a result of such audit, the Director/Authorised Signatory of the FPC/CBO shall be solely responsible for such recovery and for reimbursing the same to the Project or government or as per direction of competent authority without any demur.
3. a) That the FPC/CBO further undertakes that any immovable infrastructure /assets created with the assistance of project funds shall not be sold, transferred, or otherwise disposed of for a minimum period of twenty (20) years from the date of completion of the sub-project proposal, unless otherwise specifically permitted in writing by the competent government authority.
b) That the FPC/CBO further undertakes that any movable assets created with the assistance of project funds shall not be sold, transferred, or otherwise disposed till economic useful life of asset based on its depreciation schedule unless otherwise specifically permitted in writing by the competent government authority.
That in the event of any type of retention money or security deposit held by the FPC/CBO under any contract, the FPC/CBO itself shall be solely responsible for reimbursing or recovering such amounts and the SMART Project shall not, under any circumstances, be responsible to reimburse such amounts.

4. That the FPC/CBO expressly undertakes and accepts full responsibility for repayment or adjustment of any security deposits/retentions /any other liability made under contracts entered into by the FPC/CBO with various suppliers or service providers, as more specifically stated in the declaration appended hereto.

5. That, in accordance with the Tripartite Grant Agreement and specifically under Clause (C) – Responsibility of the CBO, we agree and affirm the following:

i. If instances of confiscation, compensation, allotment or seizure arise with respect to FPC/CBO (for SMART activities or other than SMART activities), this will not lead to attachment of bank account opened for SMART Project purposes.

ii. The FPC/ CBO shall preserve and use the equipment and the goods acquired within the Sub Project with the diligence of a good owner. FPC/CBO shall refrain from any action which has object and/or affects the damage, the value decrease and/or the making of any pledge or guarantee over the equipment's or goods procured from the project funds. Details of the Pledge/ Mortgage/ Charges shall also be informed by FPC/ CBO to concern PIU within 30 days of creating such Pledge/ Mortgage/ Charge.

iii. FPC/CBO is responsible and liable for all acts or omissions in the performance of the Sub Project. It will indemnify the SMART Project for any loss or damage that the sub project suffers as a consequence of their acts or omissions.

iv. the FPC/ CBO shall be responsible for the implementation of the sub-project in adherence with Social and Environmental Safeguards as directed by the project.

6. That the FPC/ CBO has complied with all statutory requirements related to the increase in paid-up share capital. We further certify that the list of shareholders submitted is true, accurate, and devoid of any partiality. The Directors also confirm that all requisite filings, including Form PAS-3, have been duly submitted to the Registrar of Companies (ROC).

7. That the FPC/CBO has complied, and shall continue to comply, with all ROC-related legal and statutory compliances, including timely filing of annual returns, maintenance and updating of statutory registers, and completion of all mandatory filings, and shall also pay dividends to the shareholders as and when the company makes profits, as prescribed under the Companies Act, 2013 (as amended from time to time).

8. That the assets created under the approved sub-project of the community-based organization under the SMART Project shall be utilized strictly for the purpose specified at the time of project approval. // We further assure you that the said assets will be maintained and used in accordance with the project guidelines and objectives.

9. That the FPC/CBO has fully complied with all Labour Health and Safety Implementation requirements. We further certify that no child labourers or bonded labourers were engaged at any stage of the sub project activities. Equal wages were ensured for male and female workers performing the same work, and a strict prohibition on gender-based violence was enforced at all times. A Grievance Redressal Officer was duly designated.

10. a) That in case of No loan case & in the event it is observed that any project funds have been misappropriated, and such funds are redeposited or recovered by the project authorities, interest at the rate of Nine per cent (9%) per annum shall be payable for the misappropriated amount for the actual number of days for which the amount remained misappropriated. The misappropriated amount along with the applicable interest shall be deposited into the SMART project (PCMU) bank account before exit from SMART Project. For this kind of cases wherein misappropriation happened the decision of sub-project closure / Exit & closure of SMART dedicated grant account shall be taken by concerned PIU after confirmation of recovery & on case to case basis.

b) That in Loan Case & in the event it is observed that any project funds have been misappropriated then such funds are redeposited or recovered by the project authorities, interest at the rate of interest charged on loan by lending bank p.a. shall be payable for the misappropriated amount for the actual number of days for which the amount remained misappropriated. The misappropriated amount along with the applicable interest shall be deposited into the SMART project (PCMU) bank account before exit from SMART Project.
