- a) The contract shall be for the full quantity/delivery as described above. Corrections, if any, shall be made by crossing out, initialing, dating and re writing.
- b) All duties, taxes and other levies payable on the raw materials and components shall be included in the total price.
- c) The price should inclusive of transportation, loading, unloading, installation etc.
- d) GST in connection with the sale shall be shown separately.
- e) The rates quoted by the bidder shall be fixed for the duration of the contract and shall not be subject to adjustment on any account.

4. Validity of Quotation

Quotation shall remain valid for a period not less than 60 days after the deadline date specified for submission.

5. Tender Fee & Bid Security:

a) Tender Fee:

Bidding document may be purchased from the Employer office for a non-refundable fee as indicated. Bidder may also download bidding document from aforesaid website and submit bid document cost in the form of demand draft along with the bid. If bidder fails to submit the tender fee, the bid submitted by such bidder shall be rejected.

b) Bid Security :

- 1) Bidder should submit bid security declaration in the attached format. If bidder not submitted bid security declaration, the bid submitted by such bidder shall be rejected.
- 2) The Bid Security declaration shall be executed
 - a) if a bidder withdraws its bid prior to the expiry date of bid validity specified by the bidder on the letter of bid or any extended date provided by the bidder; or
 - b) During the bid process, if any information submitted found manipulated / hidden / false / mala fide in the bid
 - c) if the successful Bidder fails to
 - (i) sign the Contract or
 - (ii) furnish a Performance Security

6. Submission of bid .

- a) The bidder is advised to visit the site at his own expense and obtain all information that may be necessary for preparing the bid.
- b) Each bidder shall submit only one bid.
- c) Modification and Withdrawal of Bids – Resubmission of bid by the bidders for any number of times before the final date and time of submission is allowed.
- d) Bid shall comprise of the following 2 envelopes:
 - 1) **Envelope 1:** Technical bid
 - 2) **Envelope 2:** Financial /price bid

Note: The above both the envelopes are to be submitted in a separate sealed envelopes mentioning the Technical bid and financial bid on top of the each envelop and bidders name at bottom of the envelop. Both these two envelopes shall be packed in a one outer envelope & seal it.

The sealed outer envelope will also bear the following identification: -

- Bid for **Supply, Installation, Testing and Commissioning of Flour Mill 1 TPH**
- Bidder's name.....
- Bidder's address
- Bidder's contact number

1) Technical bid: (Envelop 1)

The bidder shall submit following documents in the technical envelope.

- a) Demand draft towards tender document fee if tender document downloaded from the website OR payment receipt if tender document purchased from the employer office.
- b) Details of technical documents submitted (in the attached form no 1)

- c) Bid security declaration (in the attached form no 2)

- e) Turn over certificate issued by the chartered Accountant for financial years i.e. 2019-2020, 2020-2021, 2021-2022 or copy of ITRs or balance sheet (in the attached form no 4)
- f) Experience of the bidder in supplying similar item (in the attached form no 5)
- g) PAN Card copy
- h) GST registration certificate

2) Financial Bid:(Envelop 2)

The bidder shall quote for all items in the attached quotation format only (Form no 6).

7. Bid opening and Evaluation process:

a) Opening of Envelop - A (Technical Bid)

The 'Technical Envelop' of bids will be publicly opened first in the presence procurement committee members and bidders' designated representatives and anyone who chooses to attend at the address on the date and time specified in the tender notice. In the event of the date specified for bid opening being declared as a closed holiday for the purchaser's office, the due date for opening of bids will be the following working day at the same time and venue.

b) Evaluation of Technical Bid

The evaluation of the technical bids will be carried out as per the eligibility criteria mentioned in the clause 2. The bidders fulfilling minimum eligibility criteria are declared technically qualified and eligible opening of the financial bid.

c) Opening of Envelop - 2 (Financial Bid)

Financial envelope of technically qualified bidders shall be opened in the presence procurement committee members and bidders' designated representatives on the date and time informed by the purchaser.

8. Evaluation of Financial bids/ Quotations

The Purchaser will evaluate and compare the quotations determined to be substantially responsive i.e. which

- a) are properly signed ;
- b) conform to the terms and conditions, and specifications.
- c) The Quotations would be evaluated for the entire item together.

9. Information relating to evaluation of bids and recommendations for the award of contract shall not be disclosed to bidders or any other persons not officially concerned with the process until the award to the successful bidder is announced.

10. Normal commercial warranty/ guarantee 02 years shall be applicable to the supplied goods.

11. Award of contract:

- a) The Purchaser will award the contract to the bidder whose quotation has been determined to be substantially responsive and who has offered the lowest evaluated quotation price and who meets the specified qualification criteria.
- b) Notwithstanding the above, the Purchaser reserves the right to accept or reject any quotations and to cancel the bidding process and reject all quotations at any time prior to the award of contract.
- c) The bidder whose bid is accepted will be notified of the award of contract by the Purchaser prior to expiration of the quotation validity period.

Note: In case of a tie of evaluated cost between two or more bidders, discount shall be taken from all the L1 bidders. In case there is still a tie, bidder with the maximum turnover shall be awarded contract

12. Purchaser's Right to Vary Quantities at Time of Award

At the time the Contract is awarded, the Purchaser reserves the right to increase or decrease the quantity of Goods and Related Services up to 15% originally specified without any change in the unit prices or other terms and conditions of the Bid and the bidding document.

13. Performance Security:

Within 15 days of receiving letter of acceptance, the successful bidder shall deliver to the Purchaser the performance security in the form of Demand draft in favor of the Purchaser for an amount equivalent of 5% of the contract price.

14. Payment will be made within 15 days after delivery of the goods and installation if required duly certified by the authority appointed by the purchaser and upon receipt of tax invoice. Applicable GST will be paid to the supplier as per the prevailing rate

15. Normal commercial warranty/ guarantee shall be applicable to the supplied goods.

We look forward to receiving your quotations and thank you for your interest in this project.

Sr. No.	Brief Description Of the Goods	Specifications	Qty	Unit	Quoted Unit Rate in Rs.	Total Amount	
						In Figures	In Words
1	FOUR SEAT ROUND SEPARATOR Zali SIZE: 30"X82" POWER: 1.5 HP M.O.C.- Mild Steel G.I. Screen	This is very common and simple process to clean any grains and pulses. It generally used brush and nett for cleaning removing the husk and bigger as well as smaller size material from grains. It is also attached with blower and destoner for removing the stone and dust from grains. Final Material gets totally clean and pure.	1	Nos.			
2	GRAVITY SEPARATOR THREE FAN WITH A.C. DRIVE Deck Size:-60"x 42" POWER: 3+1=4 HP M.O.C.- Mild Steel	Gravity Separator for Agriculture Industry that we are providing is widely appreciated owing to its unique functionalities, adaptiveness to separate impurities and unwanted items from the grains, operational reliability and long service life. This machine is produced incorporating the cutting-edge techniques and tools in our production premises and therefore, it performs in the most accurate manner to separate the grains by weights. Gravity Separator for Agriculture Industry can be availed from us in the reasonable price range.	1	Nos.			
3	STONE DESTONER SINGLE BLOWER SIZE:-L-60", W-36", H-40" Power : 1.5 HP M.O.C.-Mild Steel	Destoner are used to separate the stones from the material. Heavy materials are separated from light ones by the specific weight of the materials. They consist of three main parts which are fixed part (a chassis equipped with rubber block amortizing vibration and inclined adjustment), moving part (main body complete with acentric). The sifter set consists of a perforated plate at lower deck distributing air and a knitted sieve at lower.	1	Nos			
4	VACUUM BLOWER & CLEANER, BLOWER DIA:18" Power :0.5 HP	High pressure pneumatic fans are used to convey the by-products vertically during milling. These are radial type fans and used for the high pressure and middle flow	1	Nos
